January 2023

**Invitation to the 44th Annual Conference of the Association for Canadian Studies in German-speaking Countries (GKS), Grainau, March 3-5, 2023**

Dear friends and partners of the GKS,

On behalf of the GKS board, it is my great pleasure to invite you to our 44th Annual Conference at the Hotel am Badersee, Grainau, March 3-5, 2023. After the last two conferences had to move online, we are all the more delighted to have an in-person event. This year's conference topic

**Solidarités. Réseaux – Convivialités – Confrontations /  
Solidarities. Networks – Convivialities – Confrontations**

was suggested and developed by the Section for Language, Literature, and Culture in Francophone Canada, and we would like to thank the speaker of this section, Dr. Alex Demeulenaere, for his work in putting this conference together. Once again we have been able to attract a number of renowned speakers from Canada, the German-speaking countries and beyond.

The preliminary program and the registration form can be downloaded from the GKS homepage at <http://www.kanada-studien.org/jahrestagung/>. If you wish to attend the conference, please send the completed registration form directly to the Hotel am Badersee no later than January 31, 2023 (by e-mail, fax or mail). You will receive a booking confirmation from the hotel by mid-February. Since the booking includes a hotel room reservation, it is binding and cancellation fees apply.

As in previous years, the GKS will organize an exhibition of recent Canadiana (monographs, edited volumes, etc.). Should you be interested in having your publications displayed, please do get in touch with us, and we will inform you of the necessary arrangements.

Likewise, in case you have any questions regarding our conference, please do not hesitate to contact us at [gks@kanada-studien.de](mailto:gks@kanada-studien.de).

Yours sincerely,

Brigitte Glaser
